

Hello everyone

Every year, we do a bit of fundraising to help our group. This October/November, we are partnering with Equator Coffee Roasters in Almonte for a coffee, tea, hot chocolate/chocolate fundraiser. Most of us drink tea or coffee, or eat chocolate. This year Equator has replaced Camino chocolate with Hummingbird chocolate (also local)

Attached is an order form, in both Excel and PDF, listing the coffee, tea and chocolate along with prices. You can read more on the various coffees and teas on the Equator website [www.equator.ca](http://www.equator.ca).

<b>Best-Selling Blends - DARK - Retail Price: \$15.00 (\$15.50 ground)</b>	<b>Grind Type</b>	<b>Quantity</b>	<b>Total \$</b>
<b>Nth Degree Dark</b>	<b>B</b>		
Tasting notes: caramelized sugar, sweet tobacco, warm spices balanced	<b>R</b>		

**Note: For coffees, there is a different price depending on whether you order bean or ground.**

Using either the spreadsheet or PDF, complete your order, and add it up manually (ahh, the spreadsheet does not total it all up), make sure to write your family name! You can either send the original spreadsheet/pdf, or scan (or take a photo) of your sheets, and send them back
